OPPORTUNITY TO BLESS AND BE BLESSED!

For the last several years a part of my personal spiritual trail has been participating in the Adult Mission Trip to Camp Restore located in New Orleans. I do this for several reasons: 1) I love the work and watching God work in the hearts and lives of people through service to others; 2) it is so rewarding to see the impact a few days of work makes on the lives of the people we serve; and 3) I need this time to renew my own spirit. I must admit I do not understand how going away to serve others is spiritual renewal, but I just know it is. I would like to challenge you to consider taking a week this year and participating in the trip. There is a blessing there for you and an opportunity for you to be a blessing to others.
