

Easter Sunday, Cantata Music  
from *Lift High the Cross* A Lenten Cantata by Lloyd Larson

***“Lift High the Cross of the Risen Christ!”***

Christ is alive! Lift your voice and sing!  
Christ is alive! Let your praises ring!  
Alleluia!

Christ is a live! Let Christians sing.  
The cross stands empty to the sky.  
Let streets and home with praises ring.  
Love, drowned in death, shall never die.

Christ is alive and comes to bring good news to this and every age;  
Till earth and sky and ocean ring, they ring with joy and justice, love, and praise.

**\*\*Congregation joins in singing hymn #159 *Lift High the Cross*\*\***

Christ is alive! Lift your voice and sing! Christ is alive!  
Lift high the cross of the risen Christ!
